Satou Mafuyu:

He's from the same school as Uenoyama. He's got a really impressive singing voice. Ever since he asked Uenoyama to fix his guitar for him, he's become emotionally attached to Uenoyama.

Nakayama Haruki

A university student. Bassist in Uenoyama's band. An extremely good-natured person.

Kaji Akihiko

A university student. Drummer in Uenoyama's band. Anyway, he's a popular guy.

Uenoyama Ritsuka

He kicks ass on the guitar despite being just a high schooler. He's a considerate and compassionate guy. He's been trained thoroughly by his sister, Yayoi. A genuine younger brother among younger brothers.

Story

High school student Uenoyama Ritsuka accidentally hears Sato Mafuyu singing. Uenoyama is in a band with Kaji Akihiko and Nakayama Haruki and they add Mafuyu on as their vocalist. With focus on their live show, they start to write a song but Mafuyu couldn't finish the lyrics in time.
On the day of the show, Mafuyu sings the song as if accepting his past and the performance is a success.
At the same time, Uenoyama realizes his feelings for Mafuyu and backstage, he kisses Mafuyu_
